

Dear Parents,

The information included will help your child reach sites he/she needs to access at least 5 days out of the week. **We will be monitoring all sites daily to check your child's progress.** Some information is new and some was previously sent to you but we have included it again. We will be sending you assignments each week on the assignment framework that will be posted on DOJO and the school's website. Go to <https://rollinghills.k12.oh.us/> and click on the Byesville link on the left hand side to find information and homework from our school.

We truly appreciate your continued cooperation order to give your child as much opportunity to continue learning during these uncertain times.

**Reflex Math** = green light each day

### **Blizzard Bags**

Please work on the three blizzard bag assignments that were sent home before Christmas break.

### **Wax Museum**

We have decided to make the wax museum OPTIONAL. If you choose to continue and want to put it on for your family please take a video and we will do what we can to get it on the website for others to see all your hard work. There is no format that you have to follow to do it and again it is OPTIONAL and if you choose to do it we want you to have fun with it.

Please know that we are here for you if you have any questions. We are thinking of you and our students everyday and missing them. Be safe and make wonderful memories with your children during this time together.
