Mrs. Shriver's 4th Grade Math

My 3 classes have been working extremely hard getting into a routine this school year and are doing a wonderful job at it.

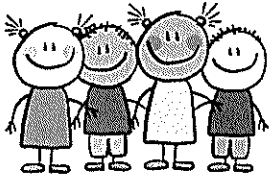

They have been learning about place values, digit values, how to write in standard, expanded and word form. They also have been rounding and comparing numbers, adding and subtracting multi-digit numbers along with multiplying and dividing multi-digit numbers. They have been extremely busy!

I am not sending homework home at this time unless your child needs to make work up for an absenteeism or to review for a quiz, but I want to stress that it is important for them to learn their multiplication facts and to be fluent at the same time. Practicing at home would be very helpful for everyone.

Let's have a safe and awesome year!

Penny Wars

November 17 - 20,
Students are asked to
bring in change for their
homeroom. Pennies add
money to their homeroom total,
while all other money subtracts
from the total. Top homerooms in
each grade level will
receive a pizza party.
All funds will go
towards our Colts
Christmas fund.
