Jump Rope News

Brook Jump Rope has started for the 2021-22 season and the team will be selected by Friday, October 29th. The team will be performing halftimes this year at Muskingum University on 12/8 and 2/9, Meadowbrook High School on 12/17, 1/26 and 2/1, Caldwell High School on 1/25, Marietta College on 2/2 and Ohio University in Athens on 1/11. If you get a chance, come and see the jump ropers in action!

The Brook Jump Rope Club will begin practice on Thursday, 11/18 and will perform in February for the Brook Intermediate students and staff in the afternoon and the parents and families in the evening. The date will be scheduled when the Meadowbrook High School's Gym is available.

What are PAX Tools?

PAX Tools is a collection of evidence-based, trauma-informed strategies to improve cooperation and self-regulation with youth. PAX Tools draws on decades of science to create strategies that support parents, youth workers, and other caring adults to create a nurturing environment that ultimately helps kids thrive!

Do the Tools work?

According to over 40 years of research at places like John's Hopkins University and Wright State University, for every 100 first graders that get the kernels in school through the PAX Good Behavior Game, we'd see some great results when they reach age 21:

- 7 more kids will not be smokers
- 4 more kids will not be alcohol dependent
- 12 more kids will not be drug dependent
- 1 more kid will not commit violent crime
- 11 more kids will not need mental health services
- 7 more girls will not feel suicidal
- 9 more girls will graduate from high school
- 7 more boys will attend college

Who should attend a PAX Tools training?

PAX Tools is intended for any caring adult who interacts with children, such as parents, caregivers, professionals and volunteers. Caregivers who participate in PAX Tools trainings will receive the materials they need to effectively use PAX Tools with children, including the PAX Tools App.
