4th Grade Math News

Happy Fall!!! The students have been working extremely hard with their fluency facts the past few weeks along with working on multi-digit multiplication and division. With that being said, one of our main goals is to have their times table mastered by Christmas break. Please practice them at home when you have 5-10 minutes to spare☺

Also, a great way to stay in touch with what is happening in 4th grade is to join our remind. If you have not already done so just send a note with your child, that has your cell number on it, and we can add you to the group.

Partners in Education,

Mrs. Shriver, Ms. Browning and Mr. Fondriest
