MEETING AGENDA

9:00 am – 9:15 am: Breakfast and Networking

9:15 am: Welcome & Introductions

Randy Lucas gave an overview of why the ESC would be involved in this work and the background of ECOESC. Randy also mentioned the Business Advisory Council and the requirements each school district has to meet based on the Ohio Department of Education.

Business Advisory Council (Explanations and Changes)

Randy explained that while the requirement of a Business Advisory Council is to hold meetings quarterly, ECOESC has chosen to have subcommittee meetings in each county, as well as, two combined meetings to best serve the different needs in the counties served.

Celebrations/Barriers/Solutions

Dan Leffingwell facilitated table discussions regarding celebrations and barriers both from an educational standpoint and business/industry perspective. There was much discussion from each table. Please see Appendix A with the results of the discussion from the community.

While no solutions were confirmed, each school district was present and will work towards suggestions between October 2022 and February 2023.
