Rolling Hills Local School District Student Wellness & Success Plan

Plan Year: FY24 / FY25

Need/Gap: (Data gathered from current mental health therapists, school counselors, family

support specialists, behavior management system, student & staff culture surveys)

- Several students identified the need for improved school culture around treating others with respect, and student teasing and bullying
- Some students identified that they did not feel safe at school
- Comprehensive tiered services for mental & behavioral health available to all students
- Minimize barriers to receiving needed counseling and mental health services
- Students identified the need for a caring adult and feeling like they belong

Goals:

- Provide access to comprehensive counseling services across all three tiers in order to minimize barriers to receiving counseling, behavioral, and mental health services making sure students are aware of the services offered
- Provide youth mentoring services to students who have been identified as at-risk
- Provide school-wide prevention services, classroom and individual counseling and substance use services to improve PBIS & school culture
- Provide resource officer services to promote safety and security of students.

Outcome Data:

- Student discipline data (improved, stayed consistent, decline)
- Positive Behavioral Interventions & Supports Data or Tiered Fidelity Inventory data (improved, stayed consistent, decline)
- School climate survey data (staff/students) (improved, stayed consistent, decline)

FY24 / FY25 Initiative(s) Funding Sources:

- Funds used
 - DPIA
 - Base cost student wellness and success
 - Remaining student wellness and success funds
