31st – Adalyn Donahue

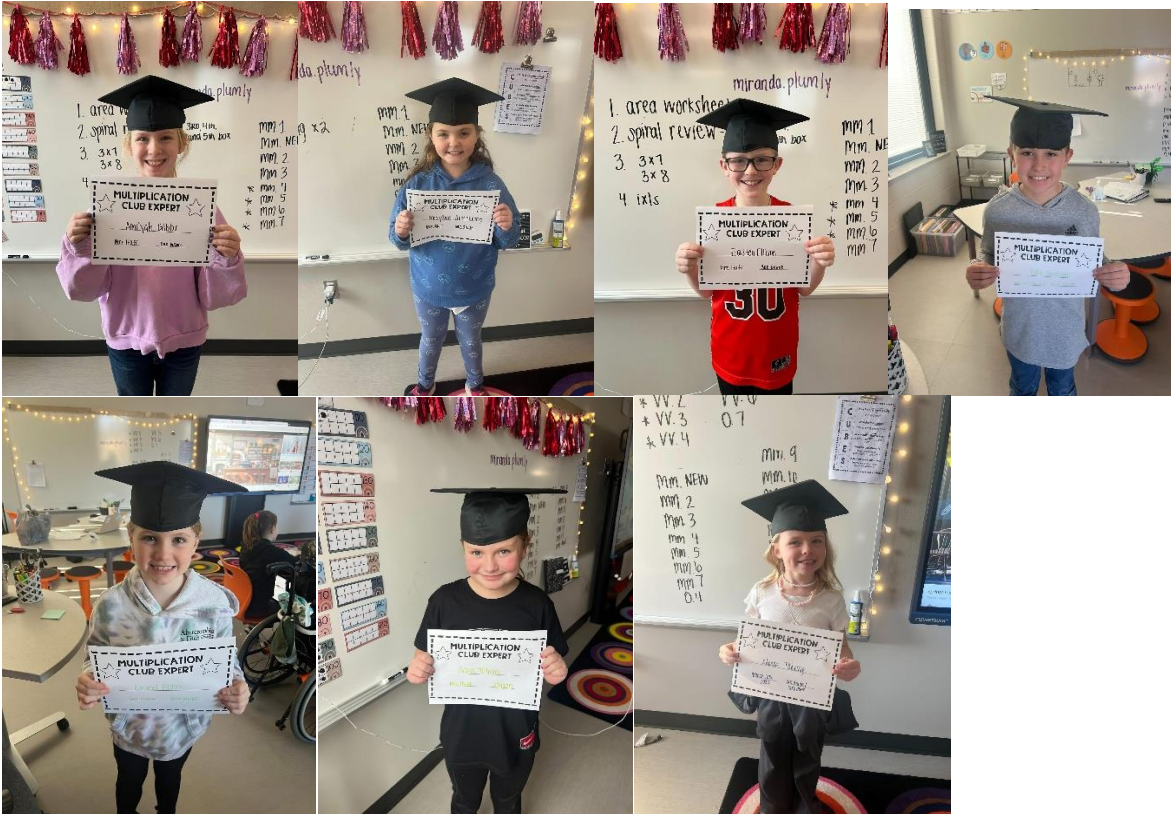

April Fools!

Mrs. Stevens' class was told they were getting iPads and brownies...and they did... "eye pads" and brown "E's" Everyone was a great sport, and they ended up with a real Cosmic Brownie too.

Masters of Multiplication

Madylynn, Easton, Ami'yah, Nora, Ryan, Laurel, Athena and Odin from Mrs. Huff's math class has mastered all their multiplication facts 0-12. Way to go!!

Kindergarteners are learning, growing and having so much fun this school year.

Fifth grade news:

Fifth grade students have been preparing for the Ohio State Tests in ELA, Math, and Science. Students have been working hard to review content, completing IXL skill plans, and taking practice tests to help them get ready. Testing dates are April 10 and 11 for ELA, April 16 and 24 for Math, and April 17 and 25 for Science. Please try to plan appointments around these days so students are here for the test!

We are looking forward to our reward field trip to the Columbus Zoo! Due to bus issues, our trip has been rescheduled to Wednesday, May 7th. Students earn this trip through academic effort, testing effort, and PAX leader behavior. This is an extended day trip so all students going will need to be picked up at the school at 5:00 p.m. No buses will be taking students home after the field trip. Remember that students need to bring a sack lunch and the zoo is now cashless. Be looking for more information on this to be sent home in the coming weeks. Please make sure your student has returned the signed behavior contract and permission slip. Permission slips and \$5 need to be turned in by Wednesday, April 30.

5th Grade Badminton Champions & Runners-Up
Congratulations to Mason Schultice and Easton Ginn 2025 Badminton Champions and Brady German and Wesley Webb, Runners-Up

March activities had 5th Graders in Mrs. Ross's class building rainbows to hold the Leprechauns gold.
